::

I have attached a short agenda to this invitation.

Again, the conference room is located in the City's Municipal Services Center Building at 1551 East Martin Luther King Jr Parkway. We can provide additional directions as needed.

We have reserved the room for the majority of the afternoon to allow plenty of time for conversation, but there is no actual fixed concluding time for the meeting. We will plan to arrive at 1 pm and look forward to seeing everyone.

Many thanks for the time.
